

Denbigh is an NCS Champion School and Gold Award Winner

Denbigh is delighted to have been given a Gold Award for the participation of our students in the National Citizen Service, making us a NCS Champion School. The NCS scheme takes place over 3 weeks in the summer holidays and is open to Year 11 - 13 students. Students live away from home as part of the programme, take on challenges, learn new skills and carry out a community-based project. Last year 84 Denbigh students took part. NCS will come to talk to Year 11 students later in the year to introduce them to the opportunities the scheme provides.
